

Classic Mission stands and canopies are made from an advanced laminated composite material –the same technology used in high-traffic laminate flooring. You'll find that a Classic Mission stand and canopy will remain beautiful and last for generations.

- Durable finish
- Easy-to-clean and maintain
- Water resistant

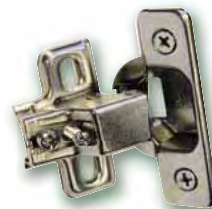

Classic Mission Cherry
24" x 72" Stand (56204)
Canopy (56254)

Classic Mission Oak
13" x 48" Stand (56000)
Canopy (56050)

Distinctive, solid hardware, characteristic of the Mission style completes the overall design.

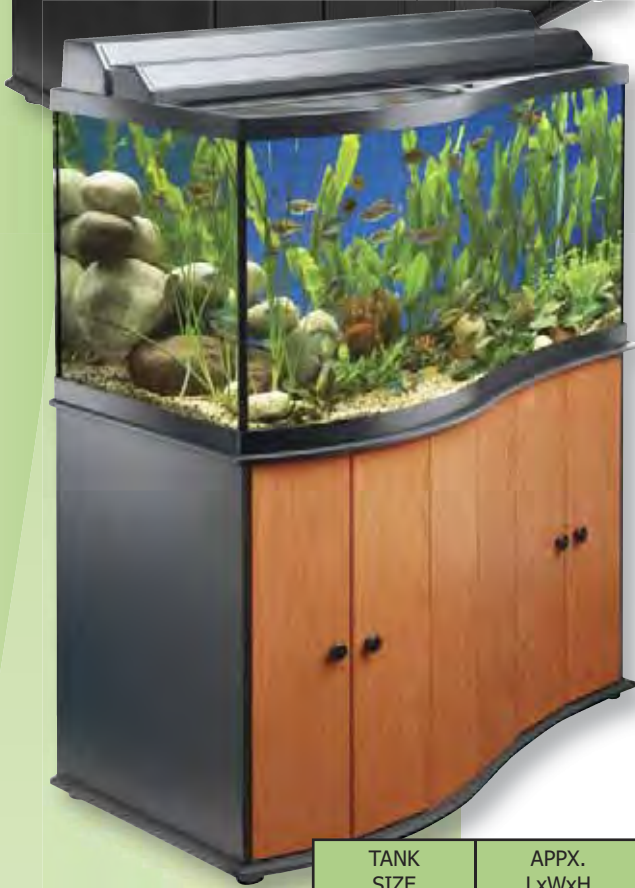

Sturdy, precise hinges add years of smooth operation to doors and canopy.

wave tank aquariums

This unique curved-glass aquarium offers a natural view of aquarium fish in a comfortable 95 gallon size. Large enough to make a dramatic impact in any room, the AGA Wave offers the wave-front "glass ripple" in both a left and right version. Furniture quality stands in maple, cherry and black finishes are available in 32" heights for optimum viewing. Wave tank stands fit both left and right styles.

An AGA Versa Top allows for custom lighting, utilizing the numerous strip light options available from All-Glass Aquarium. The 95-Wave Aquarium is available in standard or pre-drilled MegaFlow.

BOW FRONT

Series by All-Glass® Aquarium

bow front & corner aquariums

The All-Glass bow fronts and corners add dimension and contemporary style to the standard aquarium. A curved tempered front glass panel provides a dramatic viewing area and "Black Seal" silicone adds stylish appeal to your fresh or saltwater setup. Available in Oak and Black trim, ranging in size from 26 to 155 gallons.

tasteful elegance in aquarium furniture

As functional as they are beautiful, Modern Series stands provide a host of features as well as an exciting design that will make any aquarium set-up a beautiful addition to any room. Modern Series stands are available in two distinct finishes. Each stand is 32 inches high.

The Modern Series Canopy extends the overall modern look while providing easy access for feeding and to the light hood.

A generous storage cabinet provides all the needed area for any filter system and general aquarium supplies.

solid pine
aquarium stands & canopies

These quality pine stands and canopies are constructed entirely of real wood.

Each stand and canopy is stained and finished with a waterproofing sealer that will protect them from splashes and other water damage. Canopies are available with full length doors that allow easy access to the aquarium top. Each pine stand is 28 inches high.

Full Length door allows for easy access to aquarium top
